MAYOR OF LONDON

LONDON COUNCILS

PAN-LONDON SWEP ALERT – 26/11/26

PAN-LONDON SWEP IS NOW ACTIVE

Met Office forecasts expect temperatures of 0°C or below in London on the night of the date above. As such, the Mayor of London and London Councils have jointly called for **SWEP to be activated** across the capital.

Immediate actions required:

- **Alert your local SWEP network** that the emergency protocol has been activated
- **Refer to the attached documents** regarding SWEP activation

This alert is intended for Severe Weather Emergency Protocol coordinators in London local authorities. If you are not part of this group, you may be receiving this alert for information only. Please contact your local authority rough sleeping lead officer or the GLA (RoughSleepingCommissioning@london.gov.uk) if you do not know why you have received this alert.
