

# **Becoming an Anti-Racist health & care system**

**Local Health and Care staff are invited to this introductory workshop introducing Racism in Health & care services and its impact. Workshops are full day (2 half days for virtual delivery)**

# Becoming an Anti-Racist health & care system: an introductory workshop

**Weds 6th Sept 2023**  
**(full day in person)**

**Weds 4th Oct 2023**  
**(full day in person)**

**Thurs 28th Sept 1330 - 1630 &**  
**Mon 23rd Oct 0930 - 1230 (2 virtual half days)**

At the end of the workshop, learners would have:

- explored their understanding of racism, its root causes and how racism is maintained
- understood how racism shows up (covert and overt) and its impact on health inequalities
- explored what it means to be anti-racist and how it differs from business as usual
  - reflected on what it means to develop an anti-racist approach in their work - including what support they may need going forward
