

TOWER HAMLETS FGM FLOW CHART

You have a MANDATORY DUTY TO REPORT TO THE POLICE (Tel: 101) This must be done within 24 hours – good practice would dictate ASAP You then need to make an urgent referral to children’s social care Tel : 0207 3777 225 email IPST@towerhamlets.gcsx.gov.uk Please see link for further guidance : [FGM REPORTING FLOW CHART](#) (under 18’s)

Please make an urgent referral to children’s social care: TEL: 0207 3777 225 FGM social worker is Halima Mostafa Email: IPST@towerhamlets.gcsx.gov.uk

- Does this woman have any children? Use risk assessment tool :[CHILDREN](#)
- Is she pregnant? Use risk assessment tool: [PREGNANT WOMEN](#)
- Please make sure that you risk assess both mother and children if applicable
- Make an informed decision about risk and document thoroughly . If children deemed high risk please refer to children’s social care (Tel : 0207 3777 225)
- Do you have clinical uncertainty? Please call Children’s social care for anonymous advice (0207 3777 225)
- Are you referring this woman to secondary care services ? Please upload information to the enhanced data set (see separate enhanced dataset flow chart) if patient consents.

- Are you referring this woman to secondary care services ? Please upload information to the enhanced data set (see separate enhanced data set flow chart) if patient consents.
- Use risk assessment : WOMEN (NOT PREGNANT)

- Referral to Dr Janet Barter at Mile End for consideration of reversal?
- Peer support?
- Psychological help – please refer through local services
- Any other secondary care issues?

- Code index case in EMIS record using appropriate FGM codes (see right)
- Check if index case has female children or female siblings , please risk assess and code FH FGM in records of appropriate relatives.
- If new birth notification of mother included FGM please code in both mother and child’s notes and consider other siblings.
