

Electric Vehicle Chargepoint Grants – Workplace Charging Scheme

The Workplace Charging Scheme is a voucher-based scheme which is open to businesses, charities and public sector organisations & small accommodations.

What can you get?

- Up to 75% off the total costs of purchase and installation capped at £350 per socket
- 40 sockets across all sites per applicant
- That's up to £14,000 that you could potentially receive

We also have grants for flat owners and renters of any residential property, residential and commercial landlords and an infrastructure grant for residential and SME car parks.

Please check our webpage for full information: [Grant schemes for electric vehicle charging infrastructure - GOV.UK \(www.gov.uk\)](https://www.gov.uk/grant-schemes-for-electric-vehicle-charging-infrastructure)
