

Core contract and National Catch up 2023/24

- **Core contractual requirements** includes:
 - a named lead for vaccination service
 - provision of sufficient convenient appointments
 - standards for call/recall programmes and opportunistic vaccination offers
 - participation in national agreed catch-up campaigns
 - standards for record keeping and reporting.
- **National measles/ MMR campaign 2023/24**
- The national campaign is addressing the general practice registered cohort un- and under-vaccinated, up to the age of 25 through a catch up campaign with general practice (<6 years), a commissioned service with SAIS providers (<11 years) and a national call and recall for the older ages (up to 25 years).
