Advice & Refer (A&R) in some BHRUT Services

Some services have changed the way GPs refer a patient to BHRUT to a process known as 'advice and refer' (A&R) using the advice and guidance (A&G) pathway on e-RS.

To make a referral, please be reminded that you will need to click on the **request type “advice”** on eRS to allow you to find the following services :

- This service combines requests for advice and requests for appointments into a single pathway.
- All requests will be reviewed within 5 working days - either to give prompt advice or to schedule an appointment, according to clinical need.
- All other referral routes have closed and all requests for the above services should now come via the Advice & Refer service.
- Specialist clinics such as EIA and RACPC will still be available as normal
