

# Acute Medical Advice Line

**Call to refer: 01708 504307**

**Open from Monday to Friday  
10.00 to 18.00**

**We have launched an acute medical advice line to support  
in reducing unnecessary hospital admissions**

**This will provide consultant level support to identify the  
most appropriate pathway for patients to follow**

**This includes at home care plans or potential referral to  
hospital services, such as Ambulatory Care, the Same Day  
Emergency Department or the Emergency Department**

**For frailty advice, please contact the  
Frailty Line on 01708 435000 ext 2670**
