

To all GP Colleagues

Reminder re BHRUT Pain Management service contact email

To refer to the Pain Management service at BHRUT you need to refer on e-RS to:

Service ID 216899 – Pain Management – General – Queen’s Hospital – RF4 – BHRUT

The contact email address for all GP queries to the service is:

bhrut.ghpainmanagementservice@nhs.net

Please delete any other email addresses for Pain Management or the Chronic Pain service.

We have noticed emails going to the incorrect mailboxes and these are used by different teams for example inpatient referrals or sending out information to patients after they have been seen and treated, they are not for incoming mail.

Please share with your practice colleagues and update your records.

Many thanks.
