

Acute Medical Support Line

Call to refer: 01708 504307

**Open from Monday to Friday
10.00 to 18.00**

**We have launched an acute medical support line to help
reduce unnecessary hospital admissions**

**This will provide consultant level support to identify the
most appropriate pathway for patients to follow**

**This includes at home care plans or potential referral to
hospital services, such as Ambulatory Care, Same Day
Emergency Care or the Emergency Department**

**For frailty advice, please contact the
Frailty Line on 01708 435000 ext 2670**
