

Frailty Line

01708 435 000 ext 2670

Open from Monday to Friday
09.00 to 17.00

The Frailty Line gives you direct access to a senior geriatrician to discuss whether there is an alternative to hospital admission for frail older patients.

It is the referral point for Frailty Virtual Ward and urgent assessment clinics at St George's Ageing Well Centre.

Please have patient details to hand including their clinical frailty score.
