In partnership with Friends, Families and Travellers and Roma Support group, the North East London Cancer Alliance invites North East London ICB, Primary Care and Public Health teams to meet our new Gypsy, Roma and Traveller Health Champions.

The Health Champions are trained and qualified to level 1 and 2 Royal Society of Public Health standard, with the aim of supporting local communities to engage with health care services and increase the prevention, awareness and screening of cancer.

# Gypsy, Roma and Traveller engagement

## Meet the Health Champions at a free webinar!

The webinar will provide the following:

- An introduction to Friends, Family and Travellers and Roma Support group and their experiences in supporting the Gypsy, Roma and Traveller communities.
- Overview of the project in north east London.
- Introduction to the Health Champions and their experiences.
- An opportunity to ask questions and how the champions may help your health service.

**Date: 1pm-3pm, Wednesday 14th May 2025**

**Location: Online**
