

Enhance Your Skills with NEL Training Hub CPD (Continuing Professional Development) Programme

Thanks to NHS England's national CPD investment, fully funded training programme is available to support the development of **General Practice Nurses, Nurse Associates, Dietitians, Paramedics, Physiotherapists, and Podiatrists** working in primary care. This initiative is designed to help you enhance clinical skills, advance your career and support local population health priorities.

Who Can Benefit?

This programme is designed for:

- General Practice Nurses (including ANP & ACP)
- Nurse Associates
- Dietitians
- Paramedics
- Physiotherapists
- Podiatrists

Booking Information:

- Courses are **fully funded**.
- Bookings close **2 weeks prior** to each session.
- Register via **MedTribe** (free and quick sign-up).
- Ensure eligibility before booking.

Important Policies:

- Familiarise yourself with the **Cancellation and DNA (Did Not Attend) policies** to maintain your eligibility for future training.
- For any queries or cancellations, contact: nelondonicb.cpd@nhs.net
