

To all GP Colleagues

**Closure of Vascular – King George Service on e-RS**

Please be advised that the referral process for BHRUT Vascular services is changing. We will be closing the Vascular clinics at King George Hospital, **Service ID: KGH 217198**, on the e-RS platform.

From 1<sup>st</sup> September 2025, all patient referrals should be directed to the service named:

**Vascular – Queens Hospital, Service ID: QH 221078.**

This change is due to the consolidation of all Vascular outpatient clinics to a single site at Queens Hospital.

Thank you for your attention to this update.

We appreciate your understanding and cooperation during this transition.

Yours sincerely,

**Vascular Department**
