

To all GP Colleagues,

**Closure of Cataract Service at King George Hospital**

As part of recent improvements to our Ophthalmology outpatient services, all Cataract clinics will now take place at Queen's Hospital, Romford.

Therefore, from 01 December 2025 you will no longer see King George Hospital site as an option to refer in to for cataracts.

e-RS will only show the service at Queens:

**Cataract – Queens Hospital, Service ID: QH 216874**

All patient referrals for cataracts should be directed to the service named above.

We appreciate your understanding and cooperation during this transition.

Yours sincerely,

**Ophthalmology Department**
