

Dear GP Colleagues,

Re: Notice of Changes to Cardiology services on e-RS

➤ **Closure of the Lipid Advice and Guidance service on e-RS**

The Lipid A&G service on e-RS will close on Monday 27th 2026. Patients requiring Lipid management will be centrally managed by Barts Health. All previous Advice and Guidance requests have been responded to.

Please send referrals to Barts Hospital Lipid Management service from now on.

➤ **Arrhythmia Advice and Guidance will be paused**

From 27th April 2026 the Arrhythmia A&G service for BHRUT will be temporarily closed on e-RS for a period of six months.

Patients can be referred to Advice and Refer for General Cardiology in the interim so please do use this pathway with immediate effect.

Thank you.
