

Community Vasectomy Provision in North East London

From 1 April 2026, MSI Reproductive Choices (MSI) will continue to be the provider of community vasectomy services across North East London.

Service offer includes:

- Pre-operative consultation (virtual or face-to-face)
- No-scalpel vasectomy procedure
- 24-hour aftercare support
- Postal semen testing (~PVSA)
- Access to counselling where required

Service delivery locations:

- MSI - Central London – 108 Whitfield St, London, W1T 5BE
- From July 2026, MSI - Essex Regional Treatment Centre – 88 Russell Rd, Buckhurst Hill, Essex, IG9 5QB

GP referrals

GPs can refer patients using either of the following three options:

- NHS e-Referral Service (e-RS) (indirectly bookable)
Speciality: Urology
Clinic Type: Vasectomy
Service ID: NTG03 MSI Reproductive Choices – Central London
Service ID: NTG02 MSI Reproductive Choices – Essex Regional Treatment Centre
- [MSI Reproductive Choices UK referral form](#)
- Providing the patient with a UBRN, enabling them to book directly

If patients are provided with a UBRN, they can book using either of the two following options:

-  Call MSI's dedicated booking line: **0345 300 8090**
-  Book [online](#) via MSI's client portal, **Blue Door**, which allows patients to access services, complete their medical history, and manage their own appointments

If you have any management queries, please contact Helen Crane, Project Support Officer, Helen.Crane1@nhs.net
