

# Learning Network for London Care Home GPs

**Admission avoidance:  
Illustrated by case studies**  
Learn from LAS and GP Colleagues

 Wednesday 8 July 2026

 1:00 PM – 2:30 PM

 Microsoft Teams

Join colleagues from Primary Care and the London Ambulance Service (LAS) for an interactive session exploring how collaborative working can support admission avoidance and improve patient outcomes.

## What to Expect

-  **Admission Avoidance Case Studies**
  - Practical examples from frontline clinical practice
  - Learning from real case studies
-  **Hear from LAS and GP Colleagues**
  - Shared experiences and insights
  - Strengthening partnership working across systems
-  **Panel Discussion**
  - Expert panel discussion
  - Open Q&A and audience participation
  - Opportunity to contribute your experiences
  - Explore solutions to common challenges

 This session is open to GPs and Primary Care Clinicians who are working in Care Homes
